Dear Sir:

In accordance with the duty of disclosure under 37 C.F.R. 1.97 and 1.98, applicants submit herewith the enclosed form PTO-1449 and the reference listed therein and respectfully requests that this reference be considered by the Examiner during the examination of the above identified patent application; that the Examiner make it of record therein and that it appear in the "References Cited" on any patent which issues therefrom.

Respectfully submitted,

Brian M. Long
